In Re: Special Temporary Authority
For Station WPAN(TV)
Fort Walton Beach, Florida
Application File No. 0000087608
Fac Id: 31570

Dear Licensee:

This is in reference to your October 29, 2019 request seeking special temporary authority (STA) to remain silent. You state that station WPAN(VT) has ceased operations on its pre-auction channel 40. Specifically, WPAN(TV) has had an ongoing legal dispute with the current tower owner and as a result has taken WPAN(TV) off-the-air.

In light of the above, special temporary authority **IS GRANTED** pursuant to Sections 73.1740 of the Commission's Rules. This authorization expires on **January 17, 2020**.

During this period of discontinued operation, you are directed to pay strict attention to Section 73.1740 (a) (4). That is, you must continue to adhere to the requirements in your station license pertaining to the lighting of antenna structures.

We wish to point out that an extension of this request must include detailed reasons and a description of efforts being taken to return the station to full power operation.

Sincerely,

A handwritten signature in blue ink that reads "Kevin R. Harding". The signature is fluid and cursive, with the first letters of each word being capitalized and prominent.
