In Re: Special Temporary Authority  
For Station WAOE  
Peoria, Illinois  
Application File No. 0000095331  
Fac Id: 52280

Dear Licensee:

This is in reference to your January 6, 2020 request seeking special temporary authority (STA) to operate TV station WAOE, Peoria, IL, with interim facilities on Channel 24 pursuant to the joint use of channel agreement with TV station WHOI, Peoria, IL, until station WAOE completes construction and commences operations on its Channel 33 facility.

After a thorough review of your technical specifications, we are persuaded that no interference is likely to occur from the proposed operation. We therefore conclude that the public interest would be served by the grant of this request. If problems do arise, we expect them to be solved expeditiously and the Bureau reserves the right to require the termination of the operation.

With respect to radio frequency radiation (RFR), we expect compliance with Section 1.1307(b) of the Commission's Rules to be achieved.

In light of the above, special temporary authority IS GRANTED pursuant to Section 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **July 15, 2020**.

Sincerely,

A handwritten signature in blue ink, reading "Kevin R. Harding", is positioned above the typed name and title.
