In Re: Special Temporary Authority
For Station WLNE-TV
New Bedford, Massachusetts
Application File No. 0000099732
Fac Id: 22591

Dear Licensee:

This is in reference to your January 23, 2020 request seeking special temporary authority (STA) to operate TV station WLNE-TV, New Bedford, MA, on its post-auction channel using reduced facilities while the station troubleshoots system issues with its shared repack antenna.

After a thorough review of your technical specifications, we are persuaded that no interference is likely to occur from the proposed operation. We therefore conclude that the public interest would be served by the grant of this request. If problems do arise, we expect them to be solved expeditiously and the Bureau reserves the right to require the termination of the operation.

With respect to radio frequency radiation (RFR), we expect compliance with Section 1.1307(b) of the Commission's Rules to be achieved.

In light of the above, special temporary authority IS GRANTED pursuant to Section 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **July 15, 2020**.

Sincerely,
