In Re: Special Temporary Authority
For Station WJXT
Jacksonville, Florida
Application File No. 0000099171
Fac Id: 53116

Dear Licensee:

This is in reference to your January 22, 2020 request seeking special temporary authority (STA) to operate TV station WJXT, Jacksonville, FL, on its post-auction channel using an interim facility while the station troubleshoots system issues at its main facility.

After a thorough review of your technical specifications, we are persuaded that no interference is likely to occur from the proposed operation. We therefore conclude that the public interest would be served by the grant of this request. If problems do arise, we expect them to be solved expeditiously and the Bureau reserves the right to require the termination of the operation.

With respect to radio frequency radiation (RFR), we expect compliance with Section 1.1307(b) of the Commission's Rules to be achieved.

In light of the above, special temporary authority IS GRANTED pursuant to Section 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **July 23, 2020**.

Sincerely,

A handwritten signature in blue ink that reads "Kevin R. Harding".
