In Re: Special Temporary Authority
For Station KGNS-TV
Laredo, Texas
Application File No. 0000112136
Fac Id: 10061

Dear Licensee:

This is in reference to your April 13, 2020 request seeking special temporary authority (STA) to operate TV station KGNS-TV, Laredo, TX, on its licensed channel using a replacement antenna with alternate parameters while the station's existing transmitter is replaced in order to achieve the licensed power level.

After a thorough review of your technical specifications, we are persuaded that no interference is likely to occur from the proposed operation. We therefore conclude that the public interest would be served by the grant of this request. If problems do arise, we expect them to be solved expeditiously and the Bureau reserves the right to require the termination of the operation.

With respect to radio frequency radiation (RFR), we expect compliance with Section 1.1307(b) of the Commission's Rules to be achieved.

In light of the above, special temporary authority IS GRANTED pursuant to Section 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **October 16, 2020**.

Sincerely,

/s/
