In Re: Special Temporary Authority
For Station WGHP
High Point, North Carolina
Application File No. 0000112240
Fac Id: 72106

Dear Licensee:

This is in reference to your April 14, 2020 request seeking special temporary authority (STA) to operate TV station WGHP, High Point, NC, on its post-auction channel using interim facilities with reduced parameters while the station's main facility is completed and made operational.

After a thorough review of your technical specifications, we are persuaded that no interference is likely to occur from the proposed operation. We therefore conclude that the public interest would be served by the grant of this request. If problems do arise, we expect them to be solved expeditiously and the Bureau reserves the right to require the termination of the operation.

With respect to radio frequency radiation (RFR), we expect compliance with Section 1.1307(b) of the Commission's Rules to be achieved.

In light of the above, special temporary authority IS GRANTED pursuant to Section 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **June 30, 2020**.

Sincerely,

/s/
