In Re: Special Temporary Authority  
For Station KCWO-TV  
Big Spring, TX  
Application File No. 0000140587  
Fac Id: 42008

Dear Licensee:

This is in reference to your March 22, 2021 request seeking special temporary authority (STA) to continue operating TV station KCWO-TV Big Spring, TX, from the station's licensed site with previously authorized parameters<sup>1</sup> to operate at reduced power due to technical difficulty with the station's transmitter.

After a thorough review of your technical specifications, we are persuaded that no interference is likely to occur from the proposed operation. We therefore conclude that the public interest would be served by the grant of this request. If problems do arise, we expect them to be solved expeditiously and the Bureau reserves the right to require the termination of the operation.

With respect to radio frequency radiation (RFR), we expect compliance with Section 1.1307(b) of the Commission's Rules to be achieved.

In light of the above, special temporary authority **IS GRANTED** pursuant to Section 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **September 24, 2021**.

Sincerely,

/s/

Kevin R. Harding  
Deputy Chief, Video Division
