In Re: Special Temporary Authority  
For Station KPMR  
Santa Barbara, CA  
Application File No. 0000149879  
Fac Id: 12144

Dear Licensee:

This is in reference to your June 8, 2021 request seeking special temporary authority (STA) to continue operating TV station KPMR, Santa Barbara, CA, from the station's licensed site<sup>1</sup> with reduced power pending the reconstruction of its transmission facility.

After a thorough review of your technical specifications, we are persuaded that no interference is likely to occur from the proposed operation. We therefore conclude that the public interest would be served by the grant of this request. If problems do arise, we expect them to be solved expeditiously and the Bureau reserves the right to require the termination of the operation.

With respect to radio frequency radiation (RFR), we expect compliance with Section 1.1307(b) of the Commission's Rules to be achieved.

In light of the above, special temporary authority **IS GRANTED** pursuant to Section 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **December 20, 2021**.

Sincerely,

/s/
