In Re: Special Temporary Authority  
For Station WFGC  
Palm Beach, FL  
Application File No. 0000224447  
Fac Id: 11123

Dear Licensee:

This is in reference to your November 2, 2023, request seeking special temporary authority (STA) to continue operating TV station Palm Beach, FL from the station's newly authorized site<sup>1</sup> with reduced power until construction of the authorized facility is complete.

After a thorough review of your technical specifications, we are persuaded that no interference is likely to occur from the proposed operation. We therefore conclude that the public interest would be served by the grant of this request. If problems do arise, we expect them to be solved expeditiously and the Bureau reserves the right to require the termination of the operation.

With respect to radio frequency radiation (RFR), we expect compliance with Section 1.1307(b) of the Commission's Rules to be achieved.

In light of the above, special temporary authority IS GRANTED pursuant to Section 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **May 5, 2024**.

Sincerely,

/s/

Kevin R. Harding
