OXFORD AL 36203

Brian J. Butler
Supervisory Engineer
Audio Division
Media Bureau

Facility Id: 82705

Call Sign: WTBB

License File Number: BLED-20000203AAC

Grant Date: June 06, 2000

This license expires 3:00 a.m.
local time, April 01, 2004.

This License Covers Permit No.: BPED-19960711MA as modified by Permit No.:
BMPED-19981130IA

Subject to the provisions of the Communications Act of 1934, subsequent acts and treaties, and all regulations heretofore or hereafter made by this Commission, and further subject to the conditions set forth in this license, the licensee is hereby authorized to use and operate the radio transmitting apparatus herein described.

This license is issued on the licensee's representation that the statements contained in licensee's application are true and that the undertakings therein contained so far as they are consistent herewith, will be carried out in good faith. The licensee shall, during the term of this license, render such broadcasting service as will serve the public interest, convenience, or necessity to the full extent of the privileges herein conferred.

This license shall not vest in the licensee any right to operate the station nor any right in the use of the frequency designated in the license beyond the term hereof, nor in any other manner than authorized herein. Neither the license nor the right granted hereunder shall be assigned or otherwise transferred in violation of the Communications Act of 1934. This license is subject to the right of use or control by the Government of the United States conferred by Section 606 of the Communications Act of 1934.

Name of Licensee: TRINITY CHRISTIAN ACADEMY

Station Location: AL-GADSDEN

Frequency (MHz): 89.9

Channel: 210

It is to be expressly understood that the issuance of these specifications is in no way to be considered as precluding additional or modified marking or lighting as may hereafter be required under the provisions of Section 303(q) of the Communications Act of 1934, as amended.

None Required

Special operating conditions or restrictions:

- 1 If TV translator Station W15AP, Gadsden, Alabama, ceases to carry the service of TV channel six Station WBRC-TV, Birmingham, Alabama and the cessation is not the choice of Station WBRC-TV, the permittee shall modify the facilities authorized herein within a reasonable transition period, to meet the requirements of Section 73.525(e) which would have applied if no adjustment in population had been made in the application.

The transition period shall not exceed one (1) year from the date the permittee is notified by Station WBRC-TV that Station W15AP will cease to carry the service of Station WBRC-TV or six (6) months after Station W15AP ceases to carry the service of Station WBRC-TV, whichever is earlier.

- 2 The permittee/licensee must reduce power or cease operation as necessary to protect persons having access to the site, tower or antenna from radiofrequency electromagnetic fields in excess of FCC guidelines.
