Facility ID: 197562

Call Sign: WXEP-LP

Permit File Number: BMPL-20180220AAG

This Permit Modifies Permit No.: BNPL-20131115ABL

Grant Date: February 27, 2018

The authority granted herein has no effect on the expiration date of the underlying construction permit.

Subject to the provisions of the Communications Act of 1934, as amended, subsequent acts and treaties, and all regulations heretofore or hereafter made by this Commission, and further subject to the conditions set forth in this permit, the permittee is hereby authorized to construct the radio transmitting apparatus herein described. Installation and adjustment of equipment not specifically set forth herein shall be made only in accordance with representations contained in the permittee's application for construction permit except for such modifications as are presently permitted, without application, by the Commission's Rules. See Section 73.875.

Equipment and program tests shall be conducted only pursuant to Sections 73.1610 and 73.1620 of the Commission's Rules.
