Special operating conditions or restrictions:

- 1 The permittee/licensee in coordination with other users of the site must reduce power or cease operation as necessary to protect persons having access to the site, tower or antenna from radiofrequency electromagnetic fields in excess of FCC guidelines.
- 2 Temple University of the Commonwealth System of Higher Education requests waiver of 47. C.F.R. Section 73.1125 to operate the proposed facility as "satellite" of co-owned non-commercial educational FM station WRTI(FM), Philadelphia, Pennsylvania (Facility ID No.: 65190). Based upon the specific representations contained therein, the waiver request IS GRANTED. Applicant shall abide by each representation proffered in the waiver request.

Special operating conditions or restrictions:

- 3 Pursuant to 47 CFR Section 73.7005(a), the assignee shall be subject to a holding period extending until the facility has achieved four years of on-air operations. Should the assignee propose to assign or transfer the construction permit/license to another party during this period, it will be required to demonstrate the following two factors: that the proposed buyer would qualify for at least the same number of points as the original permittee received; and that consideration received and/or promised does not exceed the assignor's or transferor's legitimate and prudent expenses as defined therein.
