**REQUEST FOR EXTENSION OF TIME**

CCR-St. George IV, LLC (“Cherry Creek”), the applicant for the above-captioned new FM translator station, by its counsel and pursuant to Section 1.46 of the Commission’s Rules, hereby requests a brief extension of time up to and including June 27, 2018 in which to file an opposition to the Joint Petition to Deny (“Petition”) submitted by Summit American, Inc., Jeffrey M. Jennings, and the City of Hurricane (collectively, “Petitioners”) in the above-captioned proceeding. A brief extension is requested in light of Cherry Creek’s intent, in the coming days, to file an amendment to the above-captioned application that it believes will address the arguments set forth in the Petition and will render them moot. Moreover, the undersigned counsel is working diligently this week to file amendments to other pending Auction 100 translator applications to resolve mutual exclusivities by the June 14 deadline.

Pursuant to Section 1.46(c) of the Commission’s Rules, undersigned counsel has notified Petitioners’ counsel of his intent to file this request, and Petitioners’ counsel have stated that they

will not object to the requested extension. Accordingly, Cherry Creek requests a brief extension of time up to and including June 27, 2018, in which to file an opposition to the Petition.

Respectfully submitted,

**CCR-ST. GEORGE IV, LLC**
