Response to File No. 0000105766
Opposition to Petition for Reconsideration
WSGD-LP

Complaint: Operating with unapproved antenna

The FCC proposal on February 9, 2015 was granted for a Non – Directional Antenna
Permit file Number: BNPL – 20131113AHH

Compliant: Lack of proper equipment certification
WSGD-LP is currently operating in compliance with all rules and regulation of the FCC.

Compliant: Use of wattage.

WSDG-LP is in the process of taking legal action against Ft. Myers Broadcasting Company. A
police report has been filed due to tampering with transmitter.

Respectfully Submitted,

Dwayne Williams,
