

## STATEMENT FOR THE RECORD

When we attempted to file the attached “Opposition to Motion for Stay” against pleading file number 0000106122, the FCC’s LMS “Submit a Pleading” webpage would not accept an Opposition to Chinese Voice of Golden City’s February 17, 2020 Motion for Stay. For an unknown reason, the FCC’s webpage provided the following error message:

### Pleading / Appeal Type

\* Pleading / Appeal Type:

Opposition

✖ Opposition: can only be filed against an Informal Objection, Petition to Deny, Petition for Reconsideration, or Application for Review.

\* Pleading File Number:

0000106122

We therefore were forced to input the file number of Chinese Voice of Golden City’s Application for Review, 0000106071, in order to get the LMS system to receive our pleading. We also intend to file our “Opposition to Motion for Stay” through the CDBS filing platform.
