INFORMAL OBJECTION

I, Joelle Stuart, am an adult resident of Lake Village, Arkansas. I am currently a school teacher with the local school system.

Since learning that Lake Village was awarded a new radio station on 103.5 FM in 2016, I have attempted to listen to the station. However, it has never once been on-air. I feel this is unfair to the listening public in Lake Village and the surrounding area. If the current owner is unwilling to operate the radio station, it should be awarded to a different owner who will.

I hereby declare under penalty of perjury that the foregoing is true and correct to the best of my personal knowledge.
