OPPOSITION TO PETITION FOR RECONSIDERATION

Davis Broadcasting of Atlanta, L.L.C., (“Davis”), by its attorneys, opposes the Petition for Reconsideration (the “Petition”) filed by Tri-State Communications, Inc. in the above-captioned matter.

On March 27, 2024, Davis filed a minor modification application for W266BW and an STA request to update the technical facility record to reflect the information provided in the modification request and to request continued operation at low power while the antenna is evaluated for proper operation and a Proof of Performance is performed.¹

Therefore, Davis asks that the Commission dismiss the Petition.
