**MOTION TO SUPPLEMENT SECOND PETITION FOR  
RECONSIDERATION**

Premier Broadcasters, Inc. (“Premier”) hereby moves for leave supplement its second petition for reconsideration. The purpose of the supplement is to call to the Commission’s attention the U.S. Census Bureau’s recent decision no longer to classify distinguish between “urbanized areas” and “urban clusters,” but to use only the single “urban area” classification. *Urban Area Criteria for the 2020 Census—Final Criteria*, 87 Fed. Reg. 16706 (March 24, 2022). The decision directly affects the Commission’s use of the urbanized area service presumption in this case.

The Commission has previously held that while Premier’s petition for reconsideration is pending, Premier is required to bring to the Commission’s attention any decision that may have a bearing on the Commission’s decision.<sup>1</sup> Although Premier has argued that the Commission’s holding is a misreading of Section 1.115(c) of the Commission’s rules,

<sup>1</sup> *Threshold Communications*, Memorandum Opinion and Order, FCC 17-45 at 2 n.10 (rel. Apr. 20, 2017).

Premier's Petition for Reconsideration at 2-3 (filed May 22, 2017), it is the law of this case until reversed.

Accordingly, Premier respectfully requests the Commission to accept the supplement being filed simultaneously with this motion.

Respectfully submitted,

**PREMIER BROADCASTERS, INC.**
