RESPONSE TO INFORMAL OBJECTION

Polnet Communications Ltd. ("Polnet"), licensee of Station W223CN, Zion, Illinois (Facility ID No. 142464), hereby responds to the Informal Objection and Supplement to Informal Objection filed by Magnum Communications, Inc. ("MCI") which asserts that it has more than the required number of listeners in its 45 dBu contour who would complain of interference from the proposed application. Polnet has decided to file an amendment in which all, except nine (9) of the listeners, would no longer be located within the affected 45 dBu overlap area. The Amendment is attached.

Accordingly, Polnet requests that the Commission grant the W223CN application as amended in order to resolve the MCI Objection.

Respectfully submitted,

Polnet Communications Ltd.
