CONSENT MOTION FOR ADDITIONAL EXTENSION OF TIME

Entercom License, LLC (“Entercom”), licensee of FM translator station K277AE, Seattle Washington (FCC Facility ID No. 18522), by its attorneys, hereby requests an additional extension of time to oppose the Petition for Reconsideration (the “Petition”) of the grant of the above-captioned license application filed on November 3, 2017 by Everett-Snohomish Broadcasting (“Everett-Snohomish”).

Entercom previously notified the Commission that the parties were engaged in settlement discussions regarding this matter. The parties are continuing to negotiate a settlement agreement. While these negotiations are underway, it would be premature for Entercom to file its opposition to the Petition. Therefore, Entercom is requesting additional time, through and including February 28, 2018, to file its opposition, if one is required. Counsel for Everett-Snohomish has consented to the extension.

Respectfully submitted,

ENTERCOM LICENSE, LLC
