☒ I drive at least twice monthly through or near exit 111 (Hawks Prairie).

☒ I drive at least twice monthly between Yelm and Olympia/Lacey

☒ Other Driving anywhere, it's always on

I have no legal, financial, employment, or family affiliation or relationship with radio station KGHO-LP licensee Grays Harbor LPFM nor K266BM licensee Northwest Rock N Roll Preservation Society.

Optional: Tell the FCC why you want to continue receiving the special programming you listen to over the air on K266BM Olympia 101.1FM.

This is the only station in the area that provides quality and variety in this format. The vast majority of stations feel redundant and repetitive. KGHO is refreshing and provides something we need more of on the radio. I hear lots of people I know echo these opinions.

I declare that the above is true and correct to the best of my knowledge and belief.

KGHO 101.1FM re: proposed Auburn/Federal Way translator station for KMIA

My name is Erin Barnett.

I am a frequent listener to radio station KGHO on K266BM Olympia community translator 101.1FM. I have become aware that the Federal Communications Commission (FCC) is considering an application for another station on 101.1FM in my area. I am concerned if the FCC allows that new station on 101.1 FM, it would interfere with my ability to listen to KGHO where I live, work, or commute.

I am providing this declaration to inform the FCC where I regularly listen to KGHO and that I oppose allowing the proposed station that would cause interference.

I listen (check all that apply):

- ☒ A. Commuting or driving through the affected area (see map). Please describe where and frequency (Example: I drive through SR-161 to Federal Way 4-days a week).

I drive between Yelm + Olympia 5x/week  
I often drive from Yelm to Spanaway / Tacoma / Fife

Yelm WA 98597

- ☒ C. At Work:

Address: 319 7<sup>th</sup> Ave SE

The music they play is exactly what I grew up with from 1957 to 1975. Music that is being played on other radio broadcasts is in my thoughts disconcerting at times. I like the oldies because they are awesome. Keep this K6HO going strong & do them a favor & boost their signal!! Make K6HO stronger

KGHO 101.1FM re: proposed Auburn/Federal Way translator station for KMIA

My name is Adam Hardaway

I am a frequent listener to radio station KGHO on K266BM Olympia community translator 101.1FM. I have become aware that the Federal Communications Commission (FCC) is considering an application for another station on 101.1FM in my area. I am concerned if the FCC allows that new station on 101.1 FM, it would interfere with my ability to listen to KGHO where I live, work, or commute.

I am providing this declaration to inform the FCC where I regularly listen to KGHO and that I oppose allowing the proposed station that would cause interference.

I listen (check all that apply):

- ☒ Commuting or driving through the affected area (see map). Please describe where and frequency (Example: I drive through SR-161 to Federal Way 4-days a week).

Driving from Olympia to Seattle  
& back 1-2 times a week (as far as reception is available)

*FCC regulation state that stations can't interfere with each other. KGHO was on 101.1 first and this frequency should be protected from other stations interfering with them.*

*At Home I have a clock radio that will get a news only station (ABC News) on 101.1 and it blocks out KGHO. I just purchased this radio because the old one used manual tuning and I would get the stations on either side walking over KGHO.*

No stations in that area play this type of oldies music that I know of. Also they have a good variety that a lot of the other bigger rock stations severely lack. Because of that this is one of the few stations that I bother to listen to still. So taking this station down would be a loss for public radio.

I am a regular listener of KGHO on my way to work and during work in Tacoma.

Instead of taking the station away the fcc should look into cutting KGHO a sweet deal on expanding their range so I can listen to them in my home town of Yelm and in Centralia where I go for school. No stations in that area play this type of oldies music that I know of so that would be a loss for public radio.

Thank you,

KGHO is the only radio station of its kind in the area, period. The station's signal gets crushed by commercial radio stations bad enough as it is in our area. KGHO varies their playlist so that you don't hear the same old 500 songs over and over again. This station is a North West icon. Please consider preserving KGHO.

KGHO 101.1FM re: proposed Auburn/Federal Way translator station for KMIA

My name is Janet Culik.

I am a frequent listener to radio station KGHO on K266BM Olympia community translator 101.1FM. I have become aware that the Federal Communications Commission (FCC) is considering an application for another station on 101.1FM in my area. I am concerned if the FCC allows that new station on 101.1 FM, it would interfere with my ability to listen to KGHO where I live, work, or commute.

I am providing this declaration to inform the FCC where I regularly listen to KGHO and that I oppose allowing the proposed station that would cause interference.

I listen (check all that apply):

- ☒ Commuting or driving through the affected area (see map). Please describe where and frequency (Example: I drive through SR-161 to Federal Way 4-days a week).

Drive I-5 from Olympia to  
Pierce County / Federal Way daily

To: KGHO101@outlook.com <KGHO101@outlook.com>

An open letter to the FCC in regards to KGHO101.

I'm a resident of southwest Thurston county an am very fortunate to have KGHO as one of my listening options. While I live in Southwest Thurston County my work takes me through 9 counties in Washington state including Lewis, Pierce and King Counties. KGHO is only 1 of 2 music stations that play the music I enjoy listening to and help reduce stressful drives. Where I live there are very few radio stations that do come in clear enough. To take a listening area away is an injustice to those of us in smaller communities. KGHO needs to keep their coverage.

Signed,

Eric Olsen a SW Thurston County resident
