Dear Ms. Dortch:

Shelby Broadcast Associates, LLC (“Shelby”), licensee of FM translator W252BE, Tarrant, Alabama, responds to letter filed by Marble City Media, LLC (“Marble City”) on November 6, 2019. The Letter does not raise any new arguments. Rather, it only reiterates previous claims made by Marble City in this proceeding. Shelby refuted Marble City’s claims in its August 3, 2018 Opposition, which is hereby incorporated by reference. Also, importantly, by its own admission in its letter, Marble City admits that W252BE is not causing interference to WFXO(FM).

If there are any questions about this letter, please contact undersigned counsel for Shelby.

Sincerely,

/s/

Scott Woodworth
